

# Emergency/Disaster Preparedness Seminar

*~ The time to get ready is before an emergency or disaster occurs ~*

All of us need to be prepared for emergencies and disasters. This seminar will teach you how to be prepared in your home, church, business or car.

**The Seminar includes the following topics:**

**Preparing your church, home, car and business**

**Emergency Preparedness for Children**

**Putting together an Emergency Plan**

**Preparing for Older People**

**Preparing for People with Disabilities and Special Needs**

**Family Emergency Plan**

**Emergency Supply List**

**Disaster resources for Pastoral Care**

**Resources available from local, state and federal agencies**

**To schedule an Emergency/Disaster Preparedness Seminar**
